ENERGY PROGRAM MANAGER – ENERGY FINANCE

Join the Maryland Energy Administration (MEA) as we transform energy for the State of Maryland. Through the Strategic Energy Investment Fund and the Maryland Renewable Energy Portfolio Standard (RPS), you will have an opportunity to work on the cutting edge of shaping and implementing Maryland's clean energy policies. We are looking for the best and the brightest people to join the team that has made Maryland one of the nation's leaders in clean reliable energy.

Responsibilities: The Energy Finance Program Manager is responsible for the development and implementation of energy finance programs, including loan, tax credit and bond financing programs, in order to provide affordable, reliable, and clean energy for Maryland. Position provides technical review and support for energy finance initiatives, review of legislation relating to energy finance and represents the agency on task forces, panels, workgroups, and committees working in the energy finance sector. More specifically, this position will be responsible for the following:

- Lead agency efforts to promote affordable and accessible financing for Maryland's residents, commercial enterprises, and non-profit organizations
- Develop and manage economic development grants for the Maryland energy sector; monitor and engage with the Maryland energy finance sector
- Coordinate with other State agencies and the Maryland Clean Energy Center on important energy finance issues
- Provide energy advice to the Director and Governor's staff as needed on energy financing
- Coordinate and testify on key Public Service Commission cases; draft testimony, policy letters and advice memorandum in support of annual state legislative efforts
- Coordinate with other State agencies, public and private sector companies and industry associations on energy financial and planning issues affecting Maryland and the region

Qualifications: Candidates should have a bachelor's degree in business finance, energy or environmental field. Candidates should have at least five years of experience working on energy issues related to the items listed in the responsibilities section (above). Strong presentation, writing, and analytical skills are required. Candidates with a master's degree and direct energy finance experience are preferred.

To Apply: Send cover letter, resume, writing sample and salary requirements by email with "Energy Program Manager – Energy Finance" in the subject line to Jobs.MEA@maryland.gov. Candidates receive notification of receipt; however, only the top candidates will be invited to interview for the position.

Salary: This is a full time state employee position eligible for state benefits. Salary is commensurate with experience.
